Disclaimer of SVI

SVI grants a registered verification label “verified – STS VERIFICATION INTERNATIONAL” if a securitisation complies with the requirements for simple, transparent and standardised securitisation as set out in Articles 18 to 26e of the Securitisation Regulation (“STS Requirements”). The same registered verification label is used by SVI in the context of a CRR Assessment, Article 270 Assessment, LCR Assessment and Gap-Analysis. The aim of the Securitisation Regulation is to restart high-quality securitisation markets, and the intention of implementing a framework for simple, transparent and standardised transactions with corresponding STS criteria shall contribute to this. However, it should be noted that the STS verification performed by SVI does not affect the liability of an originator or special purpose vehicle in respect of their legal obligations under the Securitisation Regulation. Furthermore, the use of verification services from SVI shall not affect the obligations imposed on institutional investors as set out in Article 5 of the Securitisation Regulation or set out in the CRR, LCR and other relevant regulations, respectively. Notwithstanding confirmation by SVI, which verifies compliance of a securitisation with the STS Requirements, such verification by SVI does not ensure the compliance of a securitisation with the general requirements of the Securitisation Regulation.

SVI has carried out no other investigations or surveys in respect of the Originator, Issuer or the notes concerned other than as set out in this LCR Assessment and disclaims any responsibility for monitoring the Originator’s or Issuer’s continuing compliance with these standards or any other aspect of the issuer’s activities or operations.

Furthermore, SVI has not provided any form of advisory, audit or equivalent service to the Originator, Issuer or Sponsor.

SVI is not a legal advisor and nothing in the Final LCR Assessment shall be regarded as legal advice in any jurisdiction.

Accordingly, the Final LCR Assessment is only an expression of opinion by SVI after application of its verification methodology and not a statement of fact. It is not a guarantee or warranty that ECB, any of the ESAs or national competent authorities, courts, investors or any other person will accept the STS status of the relevant securitisation. Therefore, no person should rely on the Final LCR Assessment in determining the STS status but must perform its own analysis and reach its own conclusions.

SVI assumes due performance of the contractual obligation thereunder by each of the parties and the representations made and warranties given in each case by any persons or parties to SVI or in any of the documents are true, not misleading and complete. SVI shall have no liability for any loss of any kind suffered by any person as a result of a securitisation where the Final LCR Assessment indicated that it met, in whole or in part, the STS Requirements, certain LCR or SRT requirements being held for any reason as not so meeting the relevant requirements or not being able to have lower capital allocated against it save in the case of deliberate fraud by SVI. SVI shall also not have any liability for any action taken or action from which any person has refrained from taking as a result of the Final LCR Assessment.
