Disclaimer of SVI

SVI grants a registered verification label “verified – STS VERIFICATION INTERNATIONAL” if a securitisation complies with the requirements for simple, transparent and standardised securitisation as set out in Articles 19 to 22 of the Securitisation Regulation (“STS Requirements”). The same registered verification label is used by SVI in the context of a CRR Assessment, Article 270 Assessment, LCR Assessment and Gap-Analysis. The aim of the Securitisation Regulation is to restart high-quality securitisation markets, and the intention of implementing a framework for simple, transparent and standardised transactions with corresponding STS criteria shall contribute to this. However, it should be noted that the STS verification performed by SVI does not affect the liability of an originator or special purpose vehicle in respect of their legal obligations under the Securitisation Regulation. Furthermore, the use of verification services from SVI shall not affect the obligations imposed on institutional investors as set out in Article 5 of the Securitisation Regulation or set out in the CRR, LCR and other relevant regulations, respectively. Notwithstanding confirmation by SVI, which verifies compliance of a securitisation with the STS Requirements, such verification by SVI does not ensure the compliance of a securitisation with the general requirements of the Securitisation Regulation.

SVI has carried out no other investigations or surveys in respect of the issuer or the notes concerned other than as set out in this Final LCR Assessment and disclaims any responsibility for monitoring the Issuer’s continuing compliance with these requirements or any other aspect of the issuer’s activities or operations. In particular, SVI has relied on statements made in the offering circular or other legal documentation of the Transaction and based its analysis on information provided directly or indirectly by the Originator or Sponsor of the Transaction. Investors should therefore not evaluate their investment in securitisation positions based on this Final LCR Assessment.

SVI has not provided any form of advisory, audit or equivalent service to the Originator, Issuer or Sponsor.
